The screenshot shows the 'Submit Game Report' form for game #277. The form includes fields for the game number, date, location, opponent, and score for both the home and away teams. There is also a section for the referee staff report, which has been filled out with a detailed account of the game.

Game # 277
Date 4/14/2018 2:00 PM
Location TWYSC Park U14 #1
Opponent Boys U15 TWYSC 15U UNITED (IN)
Score for the HOME team: 3
Score for the AWAY team: 5
Referee Staff: Did the referee(s) know and consistently applied the Game rules & League Rules?
 They did a really good job. Had one incident with a hard foul that had no intent and my player took exception, but the official stepped in, cooled things off, and explained the call and the situation well to them and to me since I was not sure what the call was. Good game control.

As you fill out the report, put in any details you feel are necessary or if there were any issues with the game. If you have compliments, please also include those. Saying good things is as important as saying anything bad.

Click the submit button when you are finished. It should now show “View Report” in the schedule page.

The screenshot shows a web browser window with the URL <https://www.gotsport.com/asp/teams>. The page is a report submission form for a soccer game. It includes several text input fields with labels: "Cards: Please list the name and jersey number of any players that received a yellow or red card.", "Sportsmanship: Did the opposing Coach and team exhibit good Sportsmanship? (If no, please explain.)", "Field: Were there any safety concerns for the field?", and "Additional Comments:". The "Additional Comments" field contains the text: "Super first game. I appreciate the coach communicating so well at the beginning of the game based on the number of kids we each had to keep them all playing as much as possible. Well coached and hard playing team." At the bottom of the form, there are two buttons: "Back" and "Submit". The "Submit" button is circled in red, and a black arrow points to it from the right. The footer of the page says "Powered by GotSoccer" and "©2018 GotSoccer, LLC". The browser's taskbar at the bottom shows various application icons and the system clock indicating 7:08 PM on 4/14/2018.

Enjoyed playing this team. Played hard but clean and smart. Excellent sportsmanship and polite with any players that fell or were caught up in the game on the turf. Very mature team.

Field: Were there any safety concerns for the field?

None.

Additional Comments:

Super first game. I appreciate the coach communicating so well at the beginning of the game based on the number of kids we each had to keep them all playing as much as possible. Well coached and hard playing team.

You can check the report by going back to your schedule and clicking on the “View Report” tab. It will open up your report, but you cannot make any changes to it. If everything is showing in the report as you submitted it, you should be okay on the report being completed. When the other team’s coach submits their report, you will then see the final score in the boxes for that game. If you do not, send a note to the WCSSF so that they are aware and they can help you with making sure the report is submitted.

If you want to change something or missed something in your game notes, you will need to delete the report and start over from the beginning. You cannot change individual sections on their own:

The screenshot shows a web browser window with the URL <https://www.gotsport.com/asp/teams>. The page displays a game report form for a match between Boys U15 Lebanon and Dynamo U15. The form includes sections for game details, sportsmanship, referee staff, cards, and additional comments. A red circle highlights the 'Delete Report' button at the bottom of the form, with a black arrow pointing to it. The 'Additional Comments' section contains the text: 'Super first game. I appreciate the coach communicating so well. We began the game based on the number of kids we each had to keep them all playing as much as possible. Well coached and hard playing team.'

Only click on “Delete Report” if you want to change something. If you click on that, the entire report will be deleted and you will have to start from the beginning and nothing will be saved or submitted. You are asked to fill out the post-game report within 24 hrs of completing the game. That is so you have good memory of the game and so that the league can see any issues or items that need addressing. If you have any open or uncompleted game reports, it will mean that you will not be allowed to play in the end of season tournament. It takes less than 5 minutes, so please complete your game reports. There is also a resource to show you how to do that in the WCSSF website www.wcssf.org. There are also any other resources there as well to assist with coaching responsibilities.
