

1 - Please first select the registration (Rec, Rec+ or Autumn Academy) for which you wish to enroll your player. Double check the prompt at the top when the page opens that you have the correct one. Rec will have a GOLD background, and Rec+ will have a BLUE background.

2 - After you dismiss that prompt, you will see this screen. If you have not signed up since the 2022 season you need to select CREATE AN ACCOUNT. If you already have an account in GOTSPORT (not the old GotSoccer program) you may skip to step 5.

3 - If a parent or guardian is the one completing registration, please select "I'm registering my child or someone else" on the next screen. If you are old enough to register yourself, select that option instead.

7 – Follow the prompts through the registration questions. If a question is marked with an asterisk, it is required you answer or select that box. Please read all text carefully before answering. If you are registering a player for Rec+, there will be a final section of the Registration tab for inputting that player’s birth certificate. Please make sure you have that ready before you begin. If you do not, you can come back and everything SHOULD be saved, but you may have to input your answers again.

The screenshot shows a web interface for "2022 Spring Rec Registration". At the top left is a logo for Lebanon Youth Soccer. The page title is "2022 Spring Rec Registration" with a sub-link for "Registration Information". The user is identified as "Test Testerson" with a "Change User" link. A navigation bar includes "Profile", "Parents", "Emergency Info", "Registration" (highlighted), "Payment", and "Features". A shopping cart icon shows "Cart (0)".

The registration questions are as follows:

- \*  You understand that you are signing up for soccer in Lebanon INDIANA?
- \*  I understand there is a \$10 non-refundable fee associated with all registrations.
- \*  I understand that any improper behavior in violation of the LYSA Code of Conduct (available on the LYSA website) toward any players, coaches, referees, parents, or other spectators will result in requested removal from LYSA facilities and can result in further restrictions from future LYSA events. Any failure to comply with requests to leave LYSA facilities will result in removal by the necessary authorities and can result in suspension of the event. I will notify any members of my party of the LYSA Code of Conduct requirements and guidelines for information and compliance purposes.
- \* Please select your player's jersey size

8 – The next two pictures show the Payment screens. If you are in Rec (Gold) you should only have one option based on your player’s age. If you are in Rec+ (blue) and your player has the option to PLAY UP ONE LEVEL, you must indicate your option by selecting the correct payment plan! Whichever plan you select is the age group for which your player will be registered.
