### CONTACT INFORMATION AND RULES

**Field Director: Scott Milam**      [coachmilam19@gmail.com](mailto:coachmilam19@gmail.com)      **(765) 481 - 1053**

All times on this schedule are for 1/2 of a field. Full fields are usable only when there isn't another team scheduled.

If the fields are closed due to weather, no one should be practicing. Maintaining the fields for the duration of the season is a priority.

If fields are closed, contact Scott Milam in order to secure a time for a makeup practice. Any scheduled practices have priority.

**CHECK the LYSA website frequently for field status: [lebanonyouthsoccer.com](http://lebanonyouthsoccer.com)**

There is PLENTY of space off of the playing fields. We highly encourage the use of those areas. Pugg goals are available for everyone.

**Please be courteous and accomodating to those volunteering their time to paint and maintain the fields which we all enjoy.**
